## **Tuition:**

Parents' responsibility for full tuition begins on their first day of enrollment. Families that enroll a second child at FMS will receive a 10% discount on the older child's tuition. Please note, there is no discount offered for Elementary students. You are responsible for tuition through the end of each semester (December 31<sup>st</sup>, May 31<sup>st</sup>, and Mid-August). There is no reduction in tuition or refund for early withdrawal, even if your child departs in the middle of a month.

FMS collects tuition through an automatic payment plan with Brightwheel . Families are responsible for selecting a plan by the start of enrollment. Payment plans must be renewed by the family for each school year. Please note: there is a **3% processing fee** for using credit cards in the office.

## **Enrollment:**

The application fee is submitted with your child's Application for Enrollment, and places your child(ren) onto our waiting list.

The security deposit and one month's tuition are required to secure placement at FMS. The security deposit remains on file and will be returned with proper written notice. The one month's tuition will be applied toward your first month at FMS. If you enroll and decide not to attend FMS, then your security deposit and one month's tuition will be forfeited.

## **Withdrawing your child:**

Withdrawals are limited to the end of the semester (December 31<sup>st</sup>, May 31<sup>st</sup>, and Mid-August). You are responsible for tuition payments through the end of the semester, regardless of withdrawal date. In order to receive your security deposit, you must notify the main office, in writing, **forty-five (45) days** prior to your child's last day. Your security deposit will then be credited toward your last tuition payment. Any written notice received less than forty-five (45) days from your withdrawal date will result in forfeiture of your deposit.

If withdrawal meets the criteria listed above, a deposit refund will be credited to the last month's tuition payment. If the deposit is not issued via Brightwheel, it will be issued by check within 30 days of the withdrawal date.
