Elementary Program – Thank You & What's Ahead

Thank you to all of the families who attended our recent Elementary Parent Information Session. It was wonderful to connect, share our vision, and highlight the continued growth of our Elementary program.

We remain deeply committed to expanding and strengthening our Elementary community and encourage all families to learn more about what this next chapter of the Montessori journey can offer your child.

Families interested in learning more are invited to **schedule a campus tour** or **classroom observation** through our website

Elementary & Primary International Showcase

We are thrilled to bring back our annual International Showcase on **April 18th from 9:00–11:00 AM at the Don Tyson School of Innovation**. Students from our Primary and Elementary classes will be presenting what they've learned about their selected countries, including language, dance, and cultural cuisine. Families are invited to contribute cultural cuisine from their class's recipes—please check with your child's teacher for sign up information.

Tickets will be \$5 per family member and available via QR Code below. Proceeds made from the event will help to contribute to updated student materials and cultural works.

Spring Garden Day

The feedback was so positive from our Fall Garden Event that we are excited to host another Family Garden Day this Spring. Our Spring Garden Day will take place on **Friday, April 24 from 9 - 11:00 a.m.**

This is a meaningful opportunity for our community to come together and work with our students to care for and beautify our campus outdoor environments.

Sign-ups will be shared soon on material and plant donations, volunteer opportunities, etc. If you are interested in helping plan or support this event, please email hello@fmsnwa.com.

We love seeing our families engaged in these hands-on, community-centered experiences and this will be a great day to celebrate Earth Day!

March Parent Newsletter

Dear FMS Families,

As we move into the spring season, we are filled with energy and excitement across campus. This time of year brings growth, both in our classrooms and within our community. April will be a month of celebrating the changes of spring, the beauty of the outdoors, and celebrating cultures from all over the world.

Spring is a season of growth, reflection, and renewed energy. In our Montessori environments, this is a time when we often see increased independence, confidence, and leadership in our students—especially as they deepen their work within the classroom communities. We are gearing into the final months of the school year, and it has been a joy to watch each of your children blossom over the year.

Thank you for your continued partnership, trust, and presence within our school community.
